

Emergency Action Plan

The Wodson Field, Thundridge and Wodson Park, Ware

	<u>Thundridge Field</u>	<u>Wodson Park</u>
Address	Ware Lions FC The Wodson Field Cold Christmas Lane Thundridge SG12 0SJ	Wodson Park Sports & Leisure Centre Wadesmill Road Ware SG12 0UQ (t) 01920 487091
Site Access	All team managers have keys for the main gate at to allow for vehicular access. The code for the lock securing the wooden vehicular gate is 1066. This will enable emergency vehicle access onto the field.	Wodson Park has good vehicular access via the main site entrance . The site team will facilitate access for emergency vehicles to the Astroturf or grass pitches by opening the separate gate.
First Aider Information	Every team should have a qualified First Aider (with an up to date FA First Aid Module). This person is normally the team manager and/or assistant coach. The Wodson Park site team will also have a First Aider on Duty. Only those persons with an up to date and valid FA First Aid Qualification/ Module should undertake any kind of first aid.	
First Aid Equipment & Facilities	Each team manager has their own first aid kit. A first aid kit is also located in the storage container on the field. If open and available, the pavilion building at the site can be used as a First Aid room.	Each team manager has their own first aid kit. A first aid kit is also located in the reception office at Wodson Park. A First Aid room is available in the main building at Wodson Park.
